The Neighbourhood Plan

10.00am until 12 noon

To be held at The Steyning Centre, Fletcher's Croft, Steyning

We need your help!

The parishes of Steyning, Wiston, Ashurst and Bramber (SWAB) have joined together as a cluster group for the production, presentation and adoption of a Neighbourhood Plan.

Neighbourhood Plans enable local communities to identify their local needs and concerns and to shape their future development and growth over the next 15 years. While it is a Parish Council initiative, it is community driven and the views of all local residents are important and must be considered. We are at the very first stages of this process.

We now invite YOU to attend this PUBLIC MEETING to find out how you can become actively involved in this important opportunity. An introduction to the process will be provided by our chosen consultants, **Action in rural Sussex (AirS)** followed by a question and answer session.

Please come and help us get this exciting project off the ground.

We look forward to seeing you there.

Nick Mills

Chairman of the SWAB Neighbourhood Plan Steering Group
